Discover Local History at Heritage Park on May 15

The Farmington Hills Nature Center teams up with Brian Golden of the Farmington Historical Society to share some truly fascinating local history! Bring your own stories to share or simply join to listen and discover the history of Heritage Park.

The Heritage Park History Walk is Wednesday, May 15 from 7 to 9 p.m. Attendees will meet inside the Nature Center and from there tour the grounds of the park including the Caretaker's House (Heritage and History Center), the Stables, the Longacre House, and some hidden gems along the trails. The program will finish inside the Spicer House (Visitor Center) where old photographs will be on display and snacks and refreshments will be served.

Since much of the program will be held outdoors, attendees should dress for the weather. The cost for the class is $8 per person. Pre-registration is highly recommended and plan to arrive early as the tour will begin promptly at 7 p.m. Register in advance at https://recreg.fhgov.com or at the Costick Center.

Heritage Park is located at 24915 Farmington Road, between 10 and 11 Mile Roads. Call the Nature Center at 248-477-1135 or email asmith@fhgov.com for more information about upcoming Nature Center programs.
