FALL SOCCER

Youth soccer is a get acquainted, instructional program to develop the child's feel for individual soccer skills and introduce the concepts of team play and sportsmanship. Practices will start the week of August 26. The five game schedules begin Saturday, September 7. All games are on Saturdays at Founders Sports Park and practices are once a week at the discretion of the coach. Volunteers are needed to coach the teams.

Due to the popularity of the program, requests for specific days, etc., cannot be guaranteed. Every effort is made, however, to accommodate our volunteers. The children of our volunteer head coaches are not required to pay a registration fee, but must sign our registration waiver form.

Note: School that is chosen should be closest to family home. This is for putting teams together only, not necessarily where teams will play.
